

CityVu Windows (C600, C605)

Patented OptiCore® Frame

OptiCore® technology is an architecturally enhanced aluminum frame design that maximizes the thermal, structural and sound performance of each window.

Uncompromised Construction

CityVu Windows with OptiCore® are tested to achieve high performance architectural ratings. OptiCore® technology offers the most advanced thermal barrier system to allow for bigger windows and greater views throughout your home.

Superior Thermal Performance

Along with our energy-efficient glass packages, OptiCore® technology ensures enhanced comfort and energy savings, regardless of region or climate.

Slim Profile, Lightweight Design

CityVu's modern and minimalist aesthetics make for beautiful, modern views.

Contemporary Design With Superior Product Features

CityVu Window (C600, C605) Highlights, Performance and Operation
